

Beyond a Toy Library - a sustainable approach

The 15th International Toy Library Conference

Johannesburg, South Africa

Annexure C

ABSTRACTS FOR DISPLAYS

At the conference we will give you space to do a display that relates to work being done in toy libraries. The display can be a static display comprising of large sized posters, or an electronic display in video format or a display arranged on a table with banners etc. The aim is to showcase the work you do in your toy library.

There is no cost involved to do a display. No goods may be sold in the display area and it is your responsibility to take care of your display during the conference, as well as to set it up and break it down afterwards.
